CanSkate Ice Captains

Ice Captains are essential to the CanSkate program because they act as a club liaison during the skating sessions. They are parents/caregivers allowed to remain at the side of the ice surface at the benches while the skaters are on the ice. Duties include helping skaters on and off the ice, assisting coaches with skaters who need their parent/caregiver etc. Consider volunteering to be an ice captain if you: have a strong back, want to be near the action, will be attending most or all of your skater's sessions, do not have an infant with you, want to get to know the coaches and the skaters.

If you choose the Ice Captain role, complete the section below and PLEASE report to the Skating Club Board Representative at the Door to the ice at the start of the first skating session of the period selected

Please complete below to let us know the session, day and time that you can Ice Captain

Preferred Timing	60 minute CanSkate session	<u>30 minute CanSkate session</u>
